MESSAGE

Late Shri S.G. Agaskar

Late Shri Kantilal R. Ghelani

It was with the intention of being heard by the Government, the two great visionaries came together with the Idea of the Association in the year 1968 since the Government did not have clear representation from the industry.

To present the correct perspective of the situation to the Government, they called few prominent persons in the line on 25th March 1968 & decided to form Association in the name of "THE BOMBAY FOUNTAIN PEN MANUFACTURERS & TRADERS ASSOCIATION".

And thus on the 22nd of June in the year 1968 the "THE BOMBAY FOUNTAIN PEN MANUFACTURERS & TRADERS ASSOCIATION". Was officially founded with its 47 Founder members. So great is the work of the Association that it has gained prominence all over India. It has always been very active and vigilant in solving the problems of Trade and Industry. It has grown from 47 members in 1968 to 211 members in 1987 and presently it has 501 actively Patron Members and 10 Golden Members all across the Country.

On 29th March 2017 the association expanded its activities to include "STATIONERY" in their activities. Presently the Association is called "PEN & STATIONERY ASSOCIATION OF INDIA". In continuing our efforts for the promotion of pen & stationery industry in India, we are happy to associate with INDIA BIG 7 exhibition organized by RELX India Pvt. Ltd. We support the efforts of the organization to promote the industry in India & Abroad. This type of exhibition helps to promote exports of the Pen & stationery items. To bring about the healthy competition & quality, we greatly welcomed the exhibitors from china for their participation in the exhibition.

It is the earnest Endeavour of the Association to successfully solve all the problems related to Imports of Raw Material, the matter of Excise Duty and Octroi. To resolve Minimum wages application and to deal with representation for GST and Packaging and Commodity Act.

The Association is always looking for cooperation from members for their contribution towards the betterment of the sector and is willing to deal with and requirement for the solving the difficulties faced by the small sector specially.

To appreciate the efforts by the members the association has been giving the following awards. Exports Excellence Award for the Exporters since 2005. Life Time Achievement awards for the special contribution to the Industry from the year 2011. Award of Appreciation to Veteran of Trade and Industry since 2015. To enlighten the members regarding various subjects related to trade & industry, association is organizing seminars regularly.
